

Spring 2022 TA/Al Application

OFFICE USE ONLY:

Appointments require 9 hours of registration. **If you are a Physics student**, the deadline to withdraw this application is 3 weeks prior to the first class day; if you fail to withdraw your application prior to the deadline, you will be required to TA (should the department need you)—*there are no exceptions to this rule*. TA and Al positions *require* you to be available and in town through the exam period. Failure to do so will jeopardize future appointments. **PLEASE WRITE CLEARLY, thank you.**

FOR INTERNATIONAL STUDENTS ONLY:

To be eligible for a TA appointment with student contact (the majority of our appointments require student contact), you must receive a score of 230 or higher on the Oral English Proficiency Assessment. If you are Conditionally or Not Certified you will be considered lower in priority for a position. If you do not pass the assessment and do become "fully certified" within your first year of graduate school we will not hire you for the 2nd year in a TA position.

What is your current status for the Oral English Proficiency Assessment? (Choose One):

Fully Certified or Exempt Conditionally Certified*** Not Certified (did not pass)***

* You are allowed **no more than two (2)** of the following grades: X, I, NC, D, or F in any combination over the course of your graduate career. **More than two (2) and no one at the University can hire you in any capacity.**

**To be considered for an AI position, you must have 30 hours of graduate-level coursework at UT, including PHY 398T, and have teaching experience as a TA.

***Contact Matt as soon as your status changes.
